Bellisima Ricci & Noelle Parker.
Filmmakers. Authors.

When we filmed “An Afternoon to Envy”, we had trouble with the last scene. Every time we filmed it, it came out feeling forced. During one of our review sessions, we realized the scene just wasn’t believable. We rewrote the scene, and had a great shoot after only 3 takes.

During the past year, we have made 2 short films and published a graphic novel. We have made a difference in the world, and we are proud of our achievements.
